County Dump Stumps Local Taxpayers Junk

Community Looks Grubby

by Max Goodwin

It is ironic that such efficient cut-and-fill dumps are operated at the taxpayers expense and that the taxpayer is then penalized for using them.

This is what the trash problem boils down to financially. But aesthetically, it makes the community look grubby.

The League of California Cities, aware that a clean community should be helped, not hindered—has asked the county board of supervisors, and the City of San Diego, to justify their position in dump use fees.

Vista City Council has squawked that dump fees are creating more problems than they correct and that people were dumping on public roads rather than going to the dump where they must pay. This is being borne out in Lemon Grove and Spring Valley, too. (See illustrations).

County officials have not indicated whether more or less roadside dumping has resulted

from dump fee charging.

Dump fees range from 25c to \$1—more for commercial trash collectors.

The boards of supervisors

felt that the dump fee charge

is defensible because it makes

the user the payer rather than

to put the entire load on the

general taxpayer. Yet, say

some of those who want to

keep their community pretty

and clean, the tax burden is a

small one compared to the

cost and inconvenience of

polishing up behind random

dumpers.

Clean-Up Needed

For example, there are stirrings just beginning for a clean-up campaign aimed at Lemon Grove streets. If the campaign is mounted it will require the aid of more than a hundred persons. While they will give time and energy, others will provide funds either as cash or in equipment. One of the reasons for the clean-up campaign certainly must be attributed to litter that accumulates because of the penalty imposed on dumping.

The budget for county operation of its refusal disposal division for 1968-69 is \$561,000. It is estimated that the collectors will channel back to the county about \$443,000. Jerry Wilson, assistant Public Works director, says the cost of collection is about 19c on the dollar.

It probably takes more than 20 people, 10½ hours a day including Saturday and Sunday, plus relief men for sick and holiday time for the seven cut-and-fill dumps. They cost about \$5,500 a year each. This \$110,000 a year might be saved and a sizable portion of the income salvaged if they would drop their household charge but keep the present commercial-user fee.

With few street cleaning facilities available in Lemon Grove and Spring Valley, these communities will become dirtier and dirtier unless civic minded groups join to clean up behind litterbugs.

Investigation Offered

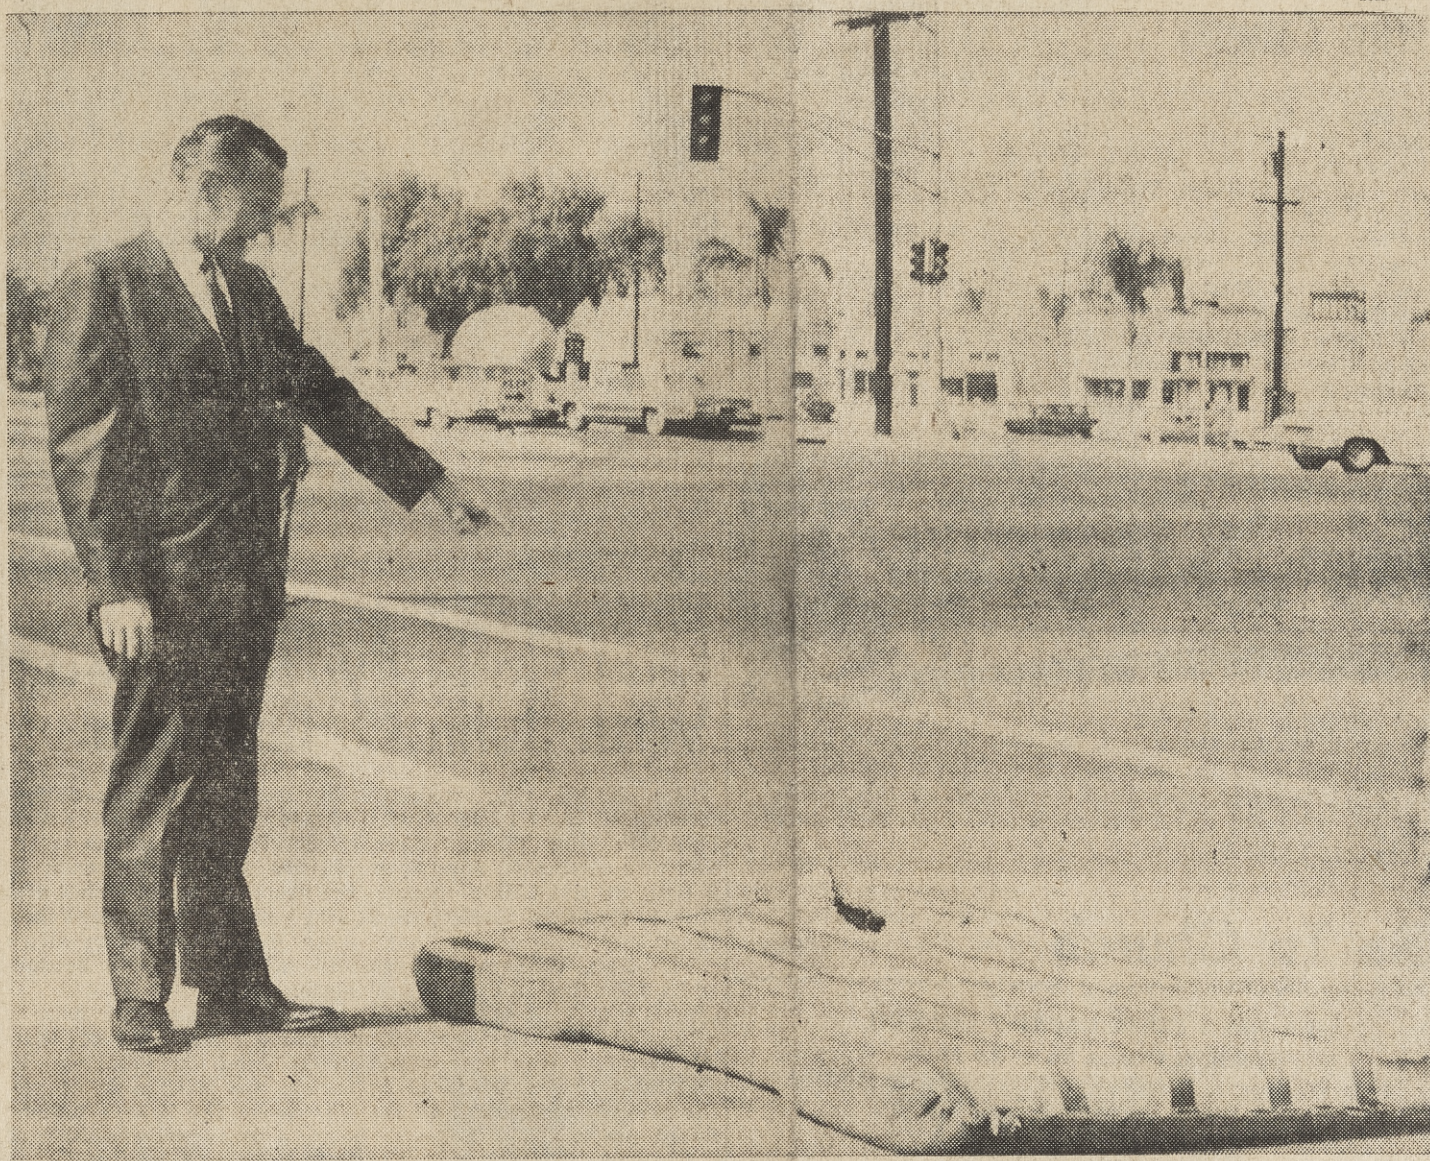

One positive policy came from the study the Public Works people are making on the matter. Assistant Director Wilson said that any citizen plagued by unwanted litter dropped on their property, can get immediate help if he calls Dick Thorde at 278-9200. Public Works operates an investigative force and there is a good chance the culprit who dropped the litter can be apprehended and penalized.

For those who wonder about the county-operated street sweeper, the word is that it sweeps twice a week in the business section—on paved streets where concrete curbs exist on both sides of the street. This restricts the use of county sweepers mostly to the business section although residential streets meeting the paving curbs criteria are swept every four to six days.

While the cost of county government is high—and still growing, most citizens would not care for the small budgetary savings involved in dump-fee charges if the price for it is a continually litter-ridden community.

DUMP?—An old burlap bag hung across a stop sign at the northeast corner of Imperial and Lester for several days last week. Such material, in pre-dump charge days, might have been dropped in someone's trash can. Today, trash cans are sacrosanct because the more trips to the dump, the more cost to the trash can owners.

SLEEPY CORNER—A king-sized mattress was tossed on the sidewalk at the busy Broadway-Imperial corner last week. There it stayed almost all week. Citizen Jim Boyd takes a rather dim view of the trash. Such trash dropoffs are becoming more numerous. Some say it is because fee is charged for dropping the stuff off at the dump.

Committee Airs Sex Program

Some 20 persons were on hand yesterday morning to meet with members of the La Mesa-Spring Valley School District Steering Committee on family life and sex education, at the district headquarters in La Mesa.

Objections were received in letter forms from parents who feel that the program would not be acceptable for students below the fourth grade level.

Other objections stemmed from parents who wanted to know what the school district had in line as to "qualified teachers".

Dr. David Pascoe, associate superintendent said that teachers would need a two year program in order to assure proper instruction methods.

The Committee also received objections on the use of the book "How You Were Born", by Sidnie Gruenberg. Parents said that they have the right to tell the story of reproduction to their youngsters.

Mrs. Lenard Ruth, chairman of the Steering Committee and President of the Grossmont High School PTA and a representative of the Foothills Secondary Council said that members of the various PTA groups in the district should air the problem.

She said, "The committee must hear from the community before we can give our recommendations to the Board. In other action at the meeting, Mrs. R. P. Foster was elected as secretary of the committee. The Rev. Robert Kesler was elected as co-chairman, but declined the bid.

The committee provides a liaison between the district staff and the public.

Members of the committee are the communication with the district for significant observations, reactions, suggestions, conclusions and suggested recommendations.

Committee members are Peter C. Doyle, member of the Board of Education; Rev. Thomas L. Goble, of the Church of the Nazarene in Spring Valley and Dr. F. E. Hornbrook, Obstetrics & Gynecologist.

Former Area Resident Murdered

A former Lemon Grove resident has been shot to death by another former local man in Ashton, Idaho.

The shooting, which took place June 15, took the life of Ralph John Brown, 25. The suspect being held in the case is Paul Henry Olshefskie, 26. Olshefskie worked at the Custom Wire Mfg. on North St., in Lemon Grove while he was here.

Olshefskie is being held in

the Fremont County Jail in St. Anthony, Idaho without bail. He has been appointed a court lawyer.

The suspect admitted to Ashton Police officials that he shot Brown, once through the chest and once in the head, at approximately 10 a.m. on June 15 in the home of Brown.

Olshefskie turned himself in to sheriff's officials at approximately 2:30 p.m. on the day of the shooting.

Sheriff Jeff Butts reported that Olshefskie went to Brown's home and entered while Brown was sleeping in bed.

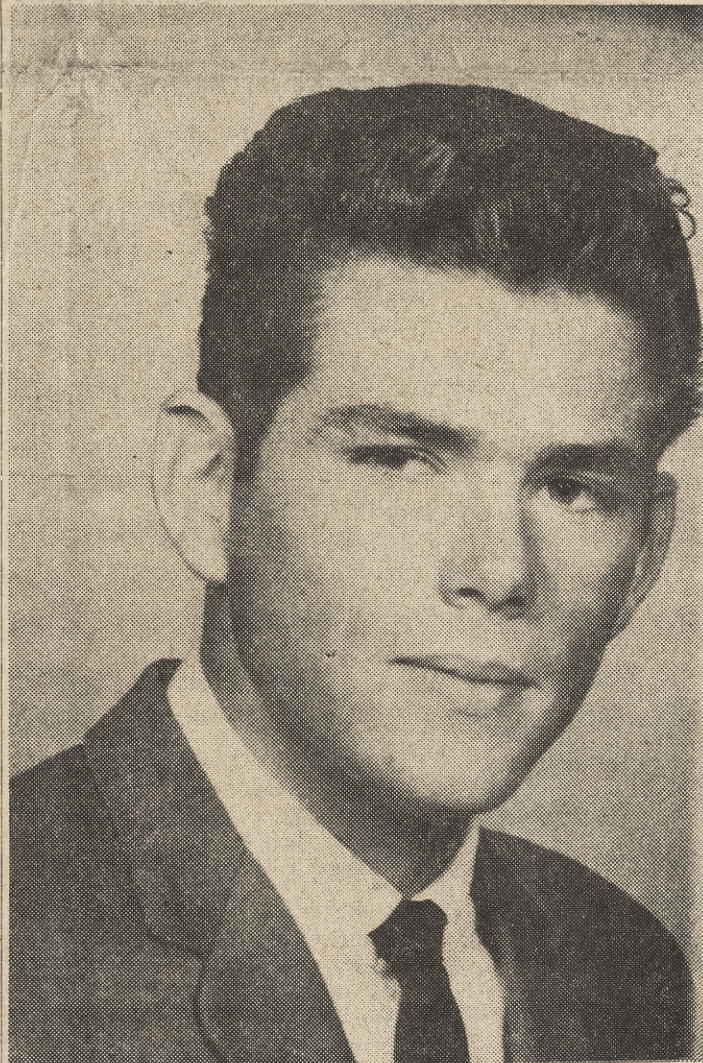

He said that the suspect wanted to talk to Brown about Olshefskie's wife. Olshefskie said that he shot Brown because he saw a rifle, in the room, near the bed. Officials said that the gun was not loaded.

Brown, born March 11, 1943 was a veteran of the Navy. He was the son of Ralph Lawrence Brown, 7549 San Miguel, Lemon Grove.

He is survived by a daughter, Brandi Lee Brown of Los Angeles; two sisters, Shelia Brown and Mrs. Donald (Susan) Coulsby of Lemon Grove.

Brown a 1960 graduate of Mt. Miguel High School, was married to the former Patricia Tully, of La Mesa. They were divorced in Idaho.

He was buried on June 20 from the Conrad Lemon Grove Mortuary.

College Tax Hiked 11¢

Top pay for instructors with a master's degree will be raised from \$13,586 a year to \$14,672 a year under an eight per cent pay raise approved this week at Grossmont Junior College.

Raises of five per cent were handed to the college's non-teaching personnel.

Adding to the increased budget—up \$700,000 to \$4,663,866—were increases in the state retirement levy and a community services tax to finance the eventual construction of an auditorium for the college.

Medical and hospital insurance payment for each college

The Only Way To Go

More than enough signatures have been acquired for getting the initiative to limit property taxes on the November 5 election ballot.

Only 520,276 signatures were needed and the proponents have gotten 558,830 — 44,313 of which came from San Diego County. Only one county came in with more signatures than did San Diego and that was Los Angeles with a whopping 254,379.

Secretary of State Frank M. Jordan has certified the signatures as being sufficient to assure the initiative getting on the ballot by which voters may get made into law a bill by which property tax bills will be cut fifty per cent.

The tax reform initiative, the Watson Bill, is the offspring of Los Angeles County Assessor Philip E. Watson, who is also co-chairman of Citizen's Committee for Property Tax Limit actions.

Watson said that the signatures had been acquired in just slightly more than two months. He said that success came from thousands of volunteers among homeowners, realty boards, taxpayer and apartment associations — all of whom have been sorely hurt by the growing pains of taxation.

The initiative provides that the total tax burden on all property will be limited to one percent of market value for property-related services, those provided by counties, cities and special districts, beginning July 1, 1969. It also provides for a 20-percent-a-year phase-out of the tax burden for people-related services, the costs of education and welfare, so that by July 1, 1973, schools and welfare will no longer be supported by property taxes. The limit can be exceeded only for existing and future bond and long-term lease charges.

Watson is a realist about the chances for success. He promised a statewide campaign in support of the initiative. "Qualifying the petition is a major victory — but it's only half the battle," he said.

We have news for Mr. Watson.

Even if the issue passes he has about as much chance of getting it enforced as a snowball in July. There was the federal government's income tax relief bill of a couple of years ago. There was the sales tax-property relief Bill. There was the anti-fraud provisions of the Welfare Act, and even Governor Reagan's sincerely promised tax relief program.

They all went the same way—up! Some promises up the chimney. All taxes went higher.

We ought to quit deluding ourselves that any taxes will be cut until we force our government money managers to cut spending.

Let's cut the fooling and cut the spending! It's the only way to go!

Ith a Thad Thtory

The editor of the 947-circulation, weekly Van Horn, Texas, newspaper claims he received a story from one of his reporters about the theft of 2,025 pigs from one farmer.

Curious about the large number, as any investigative weekly newspaper editor should be, he called the farmer.

"Are you the one who had 2,025 pigs stolen?" the editor asked.

"Yeth, I thure am," replied the farmer.

So the editor rewrote the story to report the theft of two sows and 25 pigs.

Miss Linda Fyock United With John C. Ebersole

The double ring wedding ceremony of Miss Linda Susan Fyock to John Charles Ebersole was celebrated June 8, at 2 p.m. at the North Chapel, Naval Training Center, San Diego.

The Rev. William Cravens of La Jolla Baptist Church and Chaplain C. V. Northrop, USN officiated. The color decor for the wedding was lime green and light blue carried out in the flowers and gowns of the bridal party.

The bride is the daughter of Mr. and Mrs. Robert A. Fyock, 7385 Central ave., Lemon Grove. The groom is the son of Mr. and Mrs. Charles W. Ebersole of Logan, Utah.

The Maid of Honor was the bride's sister, Miss Louise Fyock in a floor length A-line gown of lime green with long lace sleeves. She carried a nosegay of white carnations and yellow rose buds and satin ribbons.

The bride attendants were Miss Laura Fyock, sister of the bride, and Misses Sally Clarno, Maryann Clay and Yalenda Waterman. They wore A-line gowns of blue with long lace sleeves and carried nosegays of white carnations and satin ribbons.

The bride entered the chapel with her father. She wore a traditional all lace white formal gown with a chapel train and carried a bouquet of white stephanotis entwined in ivy with white rose buds and an orchid.

She also carried a white lace handkerchief which was carried by her Mother at her wedding. A bouffant veil of illusion was caught in a headpiece of seed pearls and crystal droplets shaped into a flower.

Bible Appeal Made Here

Edgar Flinn, Presiding Minister of the Spring Valley-La Mesa Congregation of Jehovah's Witnesses is one of 5242 ministers in the U.S. who appealed to families of their local congregation to follow a regular weekly home Bible Study for the entire family.

"More and more parents are suffering heartbreaks because of the lawless conduct of their children," the presiding minister said. "So many youths today puzzle parents and police officials leaving them baffled and frustrated."

"What is needed to counteract the morally degenerate environment of our times," the advocate of home Bible study continued, "is a keen moral consciousness, a strong awareness of the difference between right and wrong."

"The Bible inculcates this, not only by telling of God's love of justice, but also that he will destroy those who continue in wickedness."

"This helps one to hate what is bad and inculcate good moral habits in children and prevent parental heartbreak."

He announced that four days of intensified instruction will be given by Bible talks and dramatizations to help all members of the congregation improve their understanding and application of Bible principles in the home.

The four-day "Good News For All Nations" convention of Jehovah's Witnesses will be held in San Bernardino, July 18-21.

L.G. CoC New Project Is CleanUp

The Lemon Grove Chamber of Commerce took a look at the community Tuesday at the Morocco and decided that a good, old fashioned Clean Up campaign was in order.

President Frank Shughrue named Sam Pernicano and Bob Howell to head of a committee to start the project.

The chamber board also decided that there were not enough flags flying for holiday events. President Shughrue and Pernicano will survey the sidewalk area to assess the number of flag holders holes existing. Several years ago many such holes were cut when the chamber previously sponsored a flag fly project.

Pernicano toured the business section after the meeting as head of the east county antilitter commission and said that he would make several recommendations when the committee meets next week.

The Chamber also announced that Jim Dorman had been elected president of the Old Times Days Association with Noel Hansen, vice president. The pair announced that an Old Times Days picnic has been set for Aug. 4 starting at 1 p.m., at the Green Spot Park on Washington ave.

Board member Bob Russell told the Chamber that the Lions club, which he heads, is re-installing the corner trash cans.

The Chamber also decided to consider designing a souvenir plate to be distributed for sale during the town's centennial celebration next year.

Social Security Briefs

The Lemon Grove Review presents this question and answer column about Social Security program as a public service to our readers. The questions are those most frequently asked about Social Security. The answers are provided by Sunio Oto, El Cajon Social Security District manager.

Q. I am nearsighted and I need new eyeglasses. I understand the law was changed so that Medicare will now pay for them. Am I right?

A. You are wrong. Where an examination is performed for the purpose of prescribing, fitting, or changing eyeglasses, Medicare will not pay for either the examination or for the eyeglasses.

Q. Does a disabled widow, age 50, receive the same monthly payment as the widow who starts receiving payments at age 62?

A. No, she does not. A 50-year-old widow will receive 50 percent of her husband's base amount, whereas the age 62 widow receives 82 1/2 percent of her husband's base amount.

If you have further questions regarding the Social Security Law, contact or write the Social Security District Office, 570 North Second Street, El Cajon, California 92071.

The office is open from 8:30 A.M. until 4:30 P.M. Monday through Friday and until 1:30 P.M. on Wednesdays. The telephone number is 442-0851.

National Champs Ready July 20-21 Auto Race

Two defending national champions and several other top competitors are among the first 24 entries filed for the San Diego Stadium Raceway national championship sports car races July 20-21.

Entry deadline for the event, sponsored by the San Diego Region of the Sports Car Club of America, is still two weeks away.

At least 150 and possibly as many as 300 entries are expected for the races. Half of the 20 SCCA classes will race on Saturday and the other half Sunday. Racing will start at 1 p.m. both days.

Lee Midgley, 1967 class E production national champion, has entered his new Alfa-Romeo Duetto. Midgley is currently leading class E in the Southern Pacific division of SCCA.

The 36 year old veteran is a Riverside garage owner and a member of the San Diego Region SCCA. He is the only San Diego Region driver ever to win a national championship, and must be considered the favorite in the third race on Saturday, July 20.

Political Roundup

Cranston Raps Rafferty In Senatorial Seat Bid

Alan Cranston, Democratic candidate for the U. S. Senate from California, declared his opponent Max Rafferty is "weak on one of the most important elements of law enforcement — gun control."

Cranston said that in the June 4 Primary campaign Rafferty "managed to create the impression that he was strong and Senator Kuchel was weak when it came to law enforcement."

"I suppose he intends to create the same impression in the General Election between his views and mine on law enforcement."

"The fact is that Senator Kuchel is strong on law enforcement — and so am I. "Actually the record indicates that Rafferty is the one who is weak when it comes to this critically important aspect of law enforcement."

"He expressed his opposition during the Primary to strong gun control laws. He went on record against gun control laws that J. Edgar Hoover and our other top professional law enforcement officials — including many California police chiefs — say we need to reduce crime and violence. I know of no responsible peace officer who opposes registration of firearms and restrictions on their sale."

"There is a responsiveness, there is an enthusiasm on the part of people that tells me that something is growing, that you can feel coming from the grass roots. I think this is going to be reflected in the thinking of the delegates," the Governor said.

Although Richard M. Nixon had declined to debate the issues of the campaign with him, Governor Rockefeller was

Monte Vista Basketball Team Snaps Losing Streak

By Scot McNaugh

The Monte Vista summer basketball team ran its losing streak to three games last week before snapping it with a stunning 41-33 victory over Mar Vista last Wednesday.

Against the Mariners, the Monarchs' defense was generally good but the rebounding was weak.

The game got a little rough during the second half with several challenges coming from Mariners. One Mar Vista player challenged Mike Lasley from the Monarchy but was alerted taken out of the game by his coach. The player then took after his own coach and was called for a technical foul and ejected from the game.

Rich Hametts good hustle contributed to the Monarchy victory. Randy Umbarger did a fine job in coming off the bench.

The Monarchs are now 2-5 and will play Helix this afternoon. Earlier in the week, the Monarchs lost to a strong Kearny Comet team, 61-39.

The major flaw in the Mon-

arch's game plan was lack of offense. Ernie Arroyo was absent due to a trip to Los Angeles. Jim Bristol was ejected in the first half on a technical foul call. That left just one regular guard, Mike Lasley. Although Mike did well, it wasn't enough for a Monarch victory.

The Monarchs' horsehide squad's only game last week was cancelled due to rain. The game was to be played last Saturday but was washed out. The Monarchs are 6-10 in summer battle.

Skin Diving Classes

Scuba, skin diving, and adult classes, along with beginning diving and advanced diving classes will begin July 29 at the La Mesa Recreation department.

"Tiny-Tot" classes will start on September 2. Registration for the classes can be made at the pool office from 9 a.m. to 3 p.m.

Additional information may be obtained by calling 469-4120.

Altamura Makes Ace

NEW YORK (SPCL) — A hole-in-one scored by Lemon Grove resident Nick Altamura may earn him \$1,000 plus a trip to Scotland should his luck be as good as his drive.

By virtue of carding his ace at the Balboa Park Golf Course, Altamura, of 7051 Rosemary ln., fulfilled the entry requirement for the annual Rusty Nail Hole-in-one Sweepstakes.

The Week That Scorched

The weekend sprinkles which left a mere .04 of an inch of rain on the rolling slopes of Lemon Grove and Spring Valley, did not suggest that a record-breaker heat wave was to follow. It climbed to 99 degrees Wednesday at 2 p.m.

The mercury hit 96 degrees Monday but relief was promised by the Federal meteorologist. It hit 96 degrees again Tuesday and relief was again promised. No prediction was made at press time Wednesday.

Records locally are based on an eight year period since that is when weather stations were established at local firehouses.

Ninety students have been enrolled in the 1968 Mount Vernon Backyard Swim Program just starting. The program is under the direction of Mrs. Marlene Phillips and is conducted in conjunction with the Mount Vernon PTA and the American Red Cross.

Backyard Swim is an activity designed to teach elementary school children basic fundamentals of water safety under the supervision of qualified instructors. Since its beginning in 1956 the plan has been responsible for allowing over 70,000 students nationally to successfully complete the course without a fatality.

Mrs. Phillips will be assisted by eight instructors and four pools have been donated by local residents for the ten-day, two-week sessions.

Pool donors include Mr. and Mrs. John Stubbs, 2342 DiFoss, Mr. and Mrs. Dwight Putnam, 3055 Crane, Mr. and Mrs. G. E. Moyers, 2219 Morose, and Mr. and Mrs. R. L. Jump, 2210 Alton Place.

Instructors are Mmes. V. Ann Erickson, Jean Grant, Carol Gardner, Lynn Folley, Ronnie Welch, Marilyn Stuczynski, Mary Jane Tupper and Miss Kathy Obendorfer, junior life saver. Mrs. Edna Coker is assisting as an aide.

All instructors have passed a rigid training course and all pools have met the required safety standards established by the Red Cross.

Harold Ball, of Manhattan Beach, will replace Dr. Douglas Giles, who has accepted a position with the Chula Vista system.

Ball and his family will commence house hunting in Lemon Grove right away.

The meeting was a combination of matters originally set for the June 24th meeting, which was cancelled due to lack of quorum, and the regularly scheduled meeting, plus the annual organizational meeting.

During the organizational meeting, the same officers were elected to serve another year. They are Bert Cosby, president, Tom Higdon, vice president, Warren Buckner, clerk, and Byron Netzel, secretary. Netzel pointed out that officers have been serving two years in a row to take advantage of the additional experience.

The board also approved the scheduling of \$36,000 in pay raises, approved at the June 10 meeting, from \$11 to \$270 a year and are effective for the 1968-69 school year.

In other business the board approved a budget of \$2,782,846 and set Aug. 5 as the date of official hearing.

TAX RATE RISES
An increase of 13 cents for Lemon Grove Elementary Schools will be on the 1968-69 tax bill, Netzel said. Operating taxes will be about \$3.13 for each \$100

Alcoholic Beverage Tax Adds To County Till

The unincorporated area of fee money back to individual San Diego County has received cities and counties where it is \$65,214 as its six-month share used to offset the costs of police and fire protection, schools, highways, hospitals and other government services.

The payment was made by the state's department of alcoholic beverage control which allocates 90% of all license purposes.

Crusade Needs Up 25 Per Cent

San Diegans will be asked to give \$5,496,671 to the United Crusade this year, an increase of 23.5% over the \$4,451,000 raised in 1967 for support of the 67 privately operated health, human care and youth serving agencies of United Community Services of San Diego County.

This figure was established by UCS Board of Directors at a meeting Monday afternoon in UCS headquarters, 1136 Broadway, San Diego.

Three major items are responsible for the increased goal figure.

An additional \$245,000 will be needed for increased agency operating costs, additional staff and more service by UCS agencies for the ever-growing

population of the county.

The Vietnam war's impact on San Diego county and those agencies offering service to the military and their families tax the resources of the local chapter of the American Red Cross. Off-base recreational facilities, such as the Armed Services YMCA and the North County Armed Services YMCA in Oceanside serving Camp Pendleton, must expand. A new USO building now being built in San Diego will require increased funding from the United Crusade to operate effectively. This will require an additional \$210,000.

The UCS Board of Directors faced up to its responsibility to help alleviate the urban crisis with a firm commitment
